The goal of the Draft Animal-Power Network (DAPNet) is to provide year-round education and networking opportunities, highlighting ongoing efforts of people throughout the region who are educating, mentoring and building community around animal-power and renewable land use.

In addition to a Draft Animal-Power resource website, DAPNet runs an on-line Discussion Forum: ***Draft Animal-Power; Sustainable Farming, Forestry, and Living*** ([www.draftanimalpower.com](http://www.draftanimalpower.com)), which has over 2,600 members. Your support allows this valuable service to continue.

Annual membership fees to DAPNet will support the administrative costs, and will maintain the Draft Animal-Power discussion forum, the DAPNet website, and the DAPNet print newsletter.

### **Benefits of membership include:**

**1)** Discounted gate fee to the Northeast Animal-Power Field Days and other future events, **2)** Print newsletter, which will keep everyone connected and will include resource contacts, articles of interest, calendar events, and more, **3)** Access to DAP Discussion Forum, **4)** Free classifieds on the DAPNet website and the DAP Discussion Forum, **5)** Access to the DAPNet Website, which will provide Calendar Events, Classifieds, Links to like-minded organizations, a Web Business Directory, a Library of technical articles, a dynamic Photo Gallery, and more, **6)** Enhanced connections within the broader community of interest in the Northeast, and **7)** A voice in the organization: one member = one vote.
